Test and Competitive Program

Our Mandate:

The Centennial Figure Skating Club is dedicated to enabling life-long participation in skating for fun, fitness, and achievement. Our goal is to provide quality affordable skating instruction to all club members in an environment that promotes personal achievement in a positive and supportive manner.

StarSkate

StarSkate provides opportunities for skaters of all ages to develop from fundamental to advanced figure skating skills in all disciplines. StarSkaters will receive private, semi-private, and group lessons taught in a progressive and sequential manner. These skaters will also take SkateCanada Tests and may compete in local and out of town events.
