General Program Information

- Registration is on a first come first serve basis and must be accompanied by full payment with a registration form.
- Reservations will be accepted and must be paid before the first day of classes
- Payment : Debit, Credit, Cash or Cheque
- Parents are requested to view lessons from the bleachers or lobby viewing area. Parents are not permitted to view lessons from the players boxes as this disrupts the classes.
- If a registered skater is in any way disruptive during skating lessons, causing other skaters to be held back from a positive learning experience, the coach will discuss the concern with the skater/parent. If the skater's behaviour does not improve, the skater will be asked to withdraw from the class and a partial refund of registration fees will be given.

Appropriate Dress and Equipment

For CanSkate we recommend that you purchase a lace up skate rather than moulded skates. Please do not purchase the style of skate that has one or two straps instead of laces as they make it difficult to stand straight. **All CanSkaters are required to wear helmets.** Layered clothing is recommended as bulky snowsuits can hinder movement.

Equipment does make a difference!
